POLICY NUMBER: FP-OPSFIN-160

Policy Waivers

This policy details the requirements for completion and submission of a policy waiver.

POLICY STATEMENT

All Operations Finance polices are to be followed at all times. However, if local law or a Management Agreement clause specifically prohibits the application of policy, or another unusual situation occurs making compliance illegal or impractical, then approval, in the form of an agreed to policy waiver, must be obtained and retained.

APPLICABILITY

All Owned & Operated Hotels (including Shared Service Centers supporting these hotels).

EXCLUSIONS/EXCEPTIONS

No exclusions.

POLICY WAIVER COMPLETION AND SUBMISSION GUIDANCE

- 1) All Policy Waivers should be submitted by the Finance Leader (or Operations Leader where a Finance Leader is not present) using the relevant AuditBoard process.
- 2) The Finance Leader (or Operations Leader where a Finance Leader is not present) must complete and submit each policy waiver, which includes the following, at a minimum:
 - a) Property Name
 - b) Policy Name and Number
 - c) Effective start date and end date of the waiver. Note that waivers should expire by the end of the year, unless exceptional circumstances apply and justify a longer-term waiver (i.e., local law, management agreement clause, etc.)
 - d) Detailed reason for waiver (Staffing, Local Legislation, Ownership Issue, etc.)
 - e) Explanation of alternative procedure/mitigating control(s)
- 3) Once submitted, the Policy Waiver will be routed for approval to Regional Operations Finance and Regional Compliance.
- 4) A policy waiver can be submitted at any point during the year as required.

DEFINITIONS

TERM/ACRONYM	DEFINITION
Finance Leader	Ranking Accounting / Finance representative for the property (i.e., DOF, Controller, or Finance Manager).
