HRE.100.010	Human Resources	Workforce Planning	Workforce Planning, Compensation	Compensation, wage and salary surveys; compensation program information, including base, contingent, and stock option survey materials and program determinations. (Excludes employee service and earning records, covered in HRE.050.020, and records of payments made to employees, covered under ACC.090.010.)	MD	6	
HRE.100.020	Human Resources	Workforce Planning	Workforce Planning, Talent Management & Organizational Planning	Records pertaining to employee career development, succession planning, human capital analytics, employee surveys, talent management processes, HR program strategy summaries, organizational planning summaries, and non-individual reporting. (Excludes records on individual employees. See HRE.050.020.) The disposition date is triggered by the record being superseded.	MD	10	
HRE.100.030	Human Resources	Workforce Planning	Workforce Planning, Employee Relations	Records pertaining to employee relations processes and programs, including perormance improvements plan and RIF processes / summaries, employee relations manager resources, etc. Does not include employee specific matters.	MD	6	
HRE.100.040	Human Resources	Workforce Planning	Workforce Planning, Reports	HR workforce audit reports, e.g., wage and hour audits. (Excludes original records summarized or reflected in the reports.)	MD	2	
HRE.110.010	Human Resources	Organizational Charts	Organizational Charts	Organizational charts reflecting staffing and personnel structure and titles and related documentation.	MD	8	
HRE.120.010	Human Resources	Labor	Child Labor Compliance	Child labor certificates and notices.	CD	4	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
ITE.010.010	Information Technology	Business Continuity	Back Up Data	Back up data created as part of steady state operations and/or for disaster recovery purposes.	CD	3	
ITE.020.010	Information Technology	IT Projects	IT Projects	Records related to the development and implementation of technology solutions, which may include analysis and documentation of IT projects, systems, and current business processes. The disposition date is triggered when the project is completed or the technology solution has been sunset.	TERM	3	
ITE.030.010	Information Technology	Security	Security Logs	Security logs not related to incidents or investigations.	CD	≤13 months	
ITE.030.020	Information Technology	Security	Security Incident and Investigation Records	Security incident logs, breach notifications, investigations, reports, and inspections records. The disposition date is triggered by the termination of the incident, subsequent investigation, and issuance of last notice (if applicable).	TERM	4	
ITE.030.030	Information Technology	Security	Security Testing and Procedures	Records related to security program development, assessment, testing, operations and procedures. The disposition date is triggered when an applicable record is no longer in active use or has been superseded. (Ex: new assessment or test is performed, triggering the disposition of the prior record.)	TERM	3	
ITE.030.040	Information Technology	Security	Security event/Incident and Investigation records	Security incident files and records related to cyber security event and associated artifacts. The disposition date is triggered by the later of: (1) the creation of the incident record, (2) the closing of the incident investigation, or (3) the completion of any related action or matter arising from the incident.	TERM	10	
ITE.030.050	Information Technology	Security	Cyber Reviews and Steady State Operations	Cyber review and steady state artifacts including but not limited to architectural diagrams, system designs, application and penetration scans, logs, reports, and inspections records.	MD	4	
ITE.040.010	Information Technology	Service Requests and Maintenance	Help Desk	Support tickets, records of routine maintenance and repairs and other records related to the IT help desk.	CD	2	
ITE.050.010	Information Technology	Operations	SDLC	Decision artifacts relating to steady state maintenance, including hardware, software, data center, user adoption, security risk assessments, etc.	CD	3	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
ITE.060.010	Information Technology	Operations	User Access Reviews	Records related to confirmation of user access to Hilton systems, including email approvals and ServiceNow records. Excludes records from systems managing certification processes via structured data and workflows.	CD	3 (unless UAR relates to a SOX system in which case retention is 7 years)	
LEG.010.010	Legal	Contracts and Agreements	Contracts and Agreements	All contracts not covered by other schedules, licenses and related correspondence and documents, government contracts (compliance, documentation), executive employment agreements, sales and purchase agreements, etc.	PERM	999	
LEG.020.010	Legal	Intellectual Property	Copyrights, Patents and Trademarks	Records of the rights to protection of intellectual property, including patents, trade secrets, copyrights and trademarks, the applications for them, and assignment forms.	PERM	999	
LEG.030.010	Legal	Legal Actions and Proceedings	Claims and Litigation	Records of legal claims, arbitration and litigation, including notices of claim, litigation or arbitration files, third-party subpoenas, litigation holds and similar documents. The disposition date is triggered by the closing of the matter.	TERM	6	
LEG.030.020	Legal	Legal Actions and Proceedings	Legal Actions, Settlements Orders and Judgments	Records documenting the settlement of legal claims to which the company is a party, including settlement agreements, releases, judgments, court orders and decrees, and similar records.	PERM	999	
LEG.040.010	Legal	Mergers and Acquisitions	Closing Binders	Records documenting purchase or sale of legal entities by the company, including corporate acquisition, merger, divestiture records, and reorganizations.	PERM	999	
LEG.040.020	Legal	Mergers and Acquisitions	Due Diligence	Records documenting due diligence activities performed as part of the process of acquisition or divestiture of a business entity. The disposition date is triggered by the completion of the transaction, or final determination to abandon a proposed transaction.	TERM	6	
LEG.050.010	Legal	Permits and Licenses	Permits and Licenses	Records related to permits, certificates and licenses for business, properties and processes, including: building licenses, right-of-way, zoning permits, easement, and ADA certifications.	PERM	999	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
LEG.060.010	Legal	Real Property	Real Property	Records documenting the ownership rights as well as purchase and sale of real property, including: easements, covenants and restrictions, leaseholds and rights of way.	PERM	999	
LEG.070.010	Legal	Regulatory Affairs	Regulatory Filings and Reports	Copies of reports filed with regulatory agencies to comply with legal requirements, including securities and exchange reporting, corporate entity management, and exchange reporting.	PERM	999	
LEG.080.010	Legal	Labor	Labor Relations	Collective bargaining negotiations and agreements; Union information, including contracts, side letters, arbitration opinions, election information and results. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	PERM	999	
LEG.080.020	Legal	Labor	Non-Union Employee Relations	Non-industrial employment-related investigations stemming from non-union employee filed disputes, grievances, ethics hotline reports or government instituted claims, audits and investigations. The disposition date is triggered by the closing of the investigation.	TERM	2	France = Max term of employment
LEG.080.030	Legal	Labor	Non-Employee Relations	Records related to non-employee workers and outsourced labor. The disposition date is triggered by termination of the services of the non-employee.	TERM	2	France = Max term of employment
LEG.090.010	Legal	Counsel	Opinions and Advice	Formal opinion letters, Legal memoranda, and other written advice from inside or outside counsel. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	6	
LEG.100.010	Legal	Legal Operations	Regional Legal Ops	Records related to the legal operations for running the Legal department across all regions. Could include strategic and financial planning as well as operations, and legal technology.	CD	2	
MKT.010.010	Marketing	Advertising	Advertising Campaigns	Records of advertising programs, media plans and kits, briefs, tear sheets, customer lists, and campaigns for products, and services.	CD	7	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention

The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	3	
MKT.040.010	Marketing	Promotions	Promotional Materials	Records reflecting advertising materials sent to agencies, available at trade shows, and provided to prospective customers, including: all media (on-line, print, video, social media, etc.), brochures, bulletins, fact sheets, copy, graphics, photographs, videos, customer publications and presentations, product collateral, customer letters (hardcopy, mass e-mail, etc.), and other related records. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	2	
OPS.010.010	Operations	Buildings and Facilities	Engineering, Design and Layout	Records of building layouts, blueprints, as-built drawings and documentation, and other design and engineering records. (Note: original records to be retained by architectural and engineering firms). The disposition date is triggered by the sale, external transfer, or destruction of the facility.	TERM	5	
OPS.010.020	Operations	Buildings and Facilities	Equipment and Fixed Assets	Records of equipment and fixed assets stored within or connected to buildings and facilities. (Excludes inspection and safety certification records. See OPS.010.030) The disposition date is triggered by sale or transfer, removal from service, or destruction of the equipment or asset.	TERM	2	
OPS.010.030	Operations	Buildings and Facilities	Inspection, Certification, Maintenance and Repair	Records of inspections and certifications of buildings, infrastructure, equipment and machinery, as well as records of routine maintenance and repair performed.	CD	7	Canada = PERM (series heating cable sets)
OPS.010.040	Operations	Buildings and Facilities	Business Continuity	Disaster recovery plans and emergency actions, including: procedures for hazardous material and waste emergencies.	TERM	3	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
OPS.020.010	Operations	Food and Beverage	Catering and Banquets	Records of banquets and catering events, including event orders and planning, event summaries, supplies and logistics, customer correspondence and surveys. (Excludes accounting records. See ACC.020.xxx series).	CD	3	
OPS.020.020	Operations	Food and Beverage	Food Service Inspections	Records of food service facilities and food goods inspections and quality control.	CD	4	
OPS.030.010	Operations	Guest Assistance	Guest Services	Guest services operational/service records, including front desk, housekeeping, bell desk, valet and other services documentation.	CD	6	
OPS.040.010	Operations	Property Improvements	Property Improvement Plans	Records of related to property improvements, particularly Property Improvement Plans (PIP). The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	3	
OPS.040.020	Operations	Property Improvements	Waivers	Records of related to property improvements, particularly waivers. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	7	
OPS.050.010	Operations	Safety	Accidents, Injuries and Incidents	Records documenting workplace safety incidents and injuries, including OSHA forms 200, 300 and 300A.	CD	6	Canada = 10 years; France = MAX length of employment; US (Alabama) = 12 years; US (Minnesota) = 6 years; US (New York) = 18 years.
OPS.050.020	Operations	Safety	Employee Hazardous Exposure	Records of employee medical surveillance related to exposure to hazardous substances, environments and noise.	PERM	999	
OPS.050.030	Operations	Safety	Hot-Work, Confined Space and Lockout-Tagout	Permits required to conduct hot work or confined space activities; and records documenting the lockout of equipment prior to repairs or maintenance. The disposition date is triggered when an applicable record is no longer in active use or has been superseded. (Ex: Expiration of a permit, or end of calendar year that a record of a lockout is created.)	TERM	2	Canada = 10 years

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
OPS.050.050	Operations	Safety	Safety Training, Attendance and Certification	Records of employee safety training, including attendance records and certifications.	CD	6	
OPS.050.060	Operations	Safety	Safety Training, Course Materials	Course materials, curricula, resumes and other materials used to develop and present safety training. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	3	
OPS.060.010	Operations	Security	Badges and Logs	Records tracking employee security badges, standard security logs and reports. (For security incident logs and reports, see OPS.060.030.)	CD	2	
OPS.060.020	Operations	Security	Hotel Logs	Records and logs for lost and found, safe deposit box forms and deposit access slips.	CD	2	
OPS.060.030	Operations	Security	Security Incidents	Security incident files and records related to property loss or damage, motor vehicle damage, trespass actions, guest or employee security incidents and investigations. (Excludes employee injury, including OSHA and Workers Compensation events). The disposition date is triggered by the later of: (1) the creation of the incident record, (2) the closing of the incident investigation, or (3) the completion of any related action or matter arising from the incident.	TERM	10	
OPS.060.040	Operations	Security	Master Keys	Records and logs for master keys. The disposition date is triggered when an applicable record is no longer in active use or has been superseded. If maintained as a physical record log, disposition is triggered at the date of final entry.	TERM	5	
OPS.070.010	Operations	Revenue Management	Revenue Management Records	Booking recaps, competitors shops, convention reports, displacement analysis, Hotelligence reports (participating hotels), pace reports, override reports (from profit pack), performance critiques (monthly), and FMS summaries. (Excludes records retained by Accounting Dept for taxation and bookkeeping.)	CD	2	
PRC.010.010	Purchasing	Purchase Orders	Purchase Orders	Documents contained within the PO, including requisitions, receiving sheets or logs, acknowledgements, proposals, quotations, correspondence, etc. (Excludes records controlled by accounting for tax purposes and bookkeeping.)	CD	5	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
PRC.020.010	Purchasing	Requisitions	Requisition Authorizations and Registers	Records reflecting corporate authorization to commit funds to purchase goods or services, primarily in support of a contract or established project.	CY	6	
PRC.030.010	Purchasing	Vendor Management	Vendor Management	Records of supplier and vendor qualifications and support for procurement; includes supplier diversity tracking, service level artifacts, and vendor correspondence. (Excludes records controlled by accounting for tax purposes and bookkeeping.) The disposition date is triggered when an applicable record is no longer in active use or has been superseded, or when the relationship with the supplier or vendor has been terminated, as applicable.	TERM	6	
RSK.010.010	Risk Management	Insurance	Insurance, Claims	Records of insurance claims by and against the company, their investigation and their resolution, including insurance loss statements. (Excludes routine individual employee benefits claims. See HRE.050.010.) The disposition date is triggered by the closure of the matter.	TERM	6	
RSK.010.020	Risk Management	Insurance	Insurance, Policies	Insurance policies, bonds and certificates (general and liability). (Excludes insurance plans providing employee benefits, such as health insurance plans.) The disposition date is triggered when an applicable record (policy, bond or certificate) is no longer in effect or has been superseded.	PERM	999	
RSK.030.010	Risk Management	Business Continuity	Business Continuity	Business continuity and disaster recovery plan, vital records listings and procedures and similar records needed to implement business continuity processes. The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	3

The disposition date is triggered when an applicable record is no longer in active use or has been superseded.	TERM	6	
SAL.050.020	Sales	Sales	Sales Reporting	Sales reports, general; STAR reports (monthly); Sales person field trip reports.	CD	2	

Record Retention Schedule

Code	Category	Group	Name	Description	Trigger Event	Selected Retention (Years)	Country Retention
SHP.010.010	Shipping and Logistics	Shipping and Receiving	Customs Records	Records of foreign entry and export relating to customs duties, including declarations, certificates of origin, drawback claims, etc.	CD	6	Germany = 10 years Japan = 7 years

Records A Record is electronic or physical information that is evidence of activities, decisions, events, actions or transactions and that has ongoing business, operational, legal, regulatory, and/or historical value

Non Records Documents and messages that do not have value as described above are considered “Non-Records”. Examples include reference materials, calendar reminders, draft versions of documents, etc. Retention for Non-records is 2 years.

Trigger Key	Record Expiration
CTY	Current Tax Year
CY	Calendar Year
CD	Record create date + XX number of years based on the scheduled retention = expiration date
MD	Modified Date
TERM	User defined effective date + XX number of years based on the scheduled retention = expiration date (the users would be trained to enter the facility close date, contract end date, project end date - whatever is appropriate based on the kind of record)
PERM	No automated deletion

Active systems and/or operational procedures may be stored on team sites indefinitely, with prior approval from Information Governance. Periodically, site owners will be asked to attest that the only files on these sites comply with the Records Retention policy. Once those documents are superseded by newer versions, they should be expired consistent with applicable retention schedule.
